As a high school student that absolutely HATES writing, I was on the lookout for a service that could help me improve my skills. I tried a variety of online services, but [paperhelp](#) was by far the most effective. I needed help with my Literary Analysis of The Great Gatsby because there were multiple literary components that I didn't fully understand. After selecting a writer and chatting with him for over 3 hours, he really helped me gain a more thorough understanding of the novel overall, and he taught me how to use examples from literature to defend my point.

I prefer to check some old sites. I don't trust newbies. I'd recommend [paperhelp](#) (domain was launched in 2008).
